FESTUS O. OHAN MD, JDetc  
1280 E. 17<sup>th</sup> AVENUE,  
UNIT 121  
ANCHORAGE, AK 99504, US

I have been severely injured, damaged and denatured over decades especially post my 5<sup>th</sup> birthday. Initially, a <sup>Nurse</sup> Rosaline and Catholic Nun Maria Succoro abducted me out of my family <sup>main</sup> Palace at age 3 months. At this age, I was walking and could understand spoken words.

Appears that my family recovered me but I was reabducted again at age 5 after I had mastered a lot of disciplines especially in Health, Law and Engineering. By age 6, I had rejected the Noble Prize 3 times and Nobel Prize of Alfred Nobel rejected in Greece at age ~~between~~ about 5 yrs. At this age, I could fly airplanes, navigate ships, conduct trains and with adjusted smaller steering wheels, drive Automobiles. In 1978, a group from Harvard and Professor Bethune Johnson, Chairman of Geography Department, Natural Science and Mathematics of California State University Dominguez Hills told me that I had the best ever recorded photographic memory. I could work 4 different jobs yet.

Complete up to 40 units in a quarter session — sleeping less than 20 hours per week. For I had to pay 2 foreign students tuition fees one for ~~the~~ very bad implanted created family. The same May of 1978, I was published in the World's Physics as #1 and the only one outside Europe (Astrophysics).

I was far ahead of all first arrival to the Continents of the World and so recorded, they all saw me upon arrival. As always, they are formulating history and falsifying dates. I witnessed all their

Secret midnight meetings in hidden places, remembered what they were to do and those that they picked to die. Their plans past through generations by oral traditional legendary - Words of mouth to kill everyone and acquire their Wealths and the Universe.

Although my biological parents that I have been missing since age 3 months, then again past age 4 remain my only heir - at 100%, I need to communicate with them as I gradually Perish. The Noble and Nobel prize Committees do have full information about me and so use the U.S. and U.K. governments. Singer Chers that since 1981/2 moved from California to New York was one of the first arrivals. They arrived in a hot air balloon to the World. She picked up my personal necklace that they saw me leave under a coconut tree that bent towards the ocean. This was around Palm Springs of California's Shore. It did likewise in all the Continents and they collected my personals as they arrived. Also, Oxford dictionary <sup>- 1981 unbridged</sup> will tell you about microscope, telescope, electricity etc! Stop falsifying dates!! They are still alive and have testified. Michael Farra or Faraday that discovered electricity attended CSULA in 1987 and was in my ~~base~~ apartment in Long Beach, CA. He was studying Civil Engineering B.S. In fall 1981, Cher separated from Sunny that was made the Mayor of Palm Spring and was paid off with \$7 million that she used to purchase an apartment in New York.

Your created at first take their preys names and language to become family members. Then eat victims and claim to be their descendants acquiring

all their belongings. This is the case for created  
that call themselves, sons and daughters of Israel.  
Especially the "Igbos and Jews"! They eat their  
brains raw and for enemies, eat their brains  
as they plead <sup>bes</sup> for life. This is especially true with  
the Guinean groups, Kuru of East Africa and the  
"Crueschers" of Eastern Europe. Some develop  
a group of virus called Prions in their brains. I  
found the friend and fingers of herbalist Akano  
Oloha in the pot of soup that black female called  
Oyidie (friend of the husband) <sup>Ejezie</sup> Akano was cooking. <sup>(I was there to fetch fire)</sup>  
Shortly after he was missing. Blacks integrated  
with Akano and family as <sup>their</sup> relatives and gradually  
eat them up in West Africa that they all migrated  
to along with the Akano Oloha group that might  
have owned them.

All must now leave the world. Damages <sup>and reparation</sup> must be <sup>fixed and</sup> paid!  
They can never return to the world and so are their  
generations to come. Practically all so called natural  
disasters result from damages to the earth that  
include drilling, minning etc. Plates to the floor of  
the earth has be broken with explosives or dynamite.  
In <sup>relatively with motions</sup> the beginning, the World was made fresh and  
all <sup>was</sup> still. As it <sup>was</sup> then, so it will remain and  
forever move! So ruled and so adjudged (Ref. The Holy Bible  
on Genesis). And no dangers left behind. Move out soonest!  
The World must be cleared and to leave empty handed for  
all came in empty handed.

First stolen at ~3 months old by a Rosaline Ch. Wnaga  
 Akano took alike and a Maria Socorro like. I remembered  
 their faces even at that age. It is possible that ~~the~~ a  
 little child Maria Socorro carried in one of her  
 Portrate was me ~~or~~ I showed the same demino, and  
 carried out tantrum as she took me away, and  
 I met the Maria Socorro here. I remembered it all!

Somehow I returned and ~~was~~ received good training  
 in all fields/disciplines for 3 years and as a 3 1/2 years  
 old and passed all professional exams. I repeated the  
 Noble Prize 3 consecutive times before my 6<sup>th</sup> birthday.  
 Location appears like to look like Romania aka Old  
 Rome and not Italy. I was being called Master and  
 do not know my name at birth even though I had the  
 Universal's best photographic memory. Then was a period  
 of turmoil and I did witness plot meetings in isolated  
 locations and at midnights. For my safety and of my family  
 I was leaving home through a window at midnight to hide  
 and listen to coup/counter coup planners and what they  
 were to do. I left home at age 3 - 3 1/2 and have not  
 seen my family since. I learned academics by thinking only and  
 did not receive education nor read major books! But I worked round  
 the clock

From Dr. Festus Okwudili Ohan. ADDENDUM: May 29<sup>th</sup>, 2020

I do not remember my name at birth. As a child, I was trained in health and locomotives on the Mediterenian side of Europe. From there, I went to Bethlehem for a short period of time. From Bethlehem, I was sent to West Africa at age 5. I first stayed in Victoria Island briefly from where I went to Oyotro Street by the Railroad and near IKorodu Road and not far from Igboi hospital in Yaba, Lagos, Nigeria.

My 5<sup>th</sup> birthday was held on a ship that headed to West Africa from Bethlehem. It was on September 20<sup>th</sup>, 1960. I have been without my parents since I left Europe. In West Africa, they had me on trains to help conduct them and twice I went to Kaduna (Northern part of present Nigeria) from Lagos. Both occasions were in 1961. One, earlier part of the year and the 2<sup>nd</sup> I went to Northern Nigeria in June and returned in September. I was heading back to Lagos from Kaduna on my 6<sup>th</sup> birthday - September 20<sup>th</sup>, 1961. I went to Kaduna, Kano and Zaria with Roseline and her new born - the 2<sup>nd</sup> Remigius. At this time, my kidnapers have handed me over to those that came to West Africa to settle and on October 1<sup>st</sup>, 1961, Nigeria declared its independence. Rosaline and Gabriel Oduagwu Ohanu had a son of my age that died while she was pregnant. They call the child of that pregnancy the same name as the one that died. Saying that the

tried to play the reincarnation game on me - that I am Ohañu his father, the younger brother of ~~OK~~ Uncle Okwara. Both were dead at this time.

They had double locked my rooms in Oyotoro and had me move to them at #5 Tanionowo/ Gwudo Street, <sup>in the same</sup> Yaba, Lagos. They had forged birth Certificate and baptismal papers for my Nigerian Citizenship. My name now is Festus Okiwudili Ohañu for which in the USA, I changed Ohañu to Ohan.

I was registered to attend Bariga then Ebute meta <sup>before</sup> Bashua elementary Schools in the afternoons and lastly St. Patrick Standard School. I was not attending class, I drop my empty bag and walk to Infirmary and Reformatory that was located in one side of the Igbo military barracks. In infirmary I managed health cases and brief nurses and quickly go to reformatory section to teach locomotives. I did that from 1962 to 1966 when I went to St. Patrick's Catholic School, Yaba near Ikorodu Road and Sunlere Stadium.

In St. Patricks, I completed everything <sup>6 years</sup> and did more under one year. I had no documents except for Sundays because Roseline goes to church, I was awoken sometimes at 4 Am after going to bed sometimes at 12 midnight. Myself and Rosaline go to distant farm to work and harvest Casava. We carry heavy loads and I got to be in school at 1pm to leave at 5pm. I work hard when I return from school and sometimes I do not go to bed until 12 midnight. I walk to far distance to look for free water - upto if not more than one mile. I was fed with only <sup>only</sup> Cassava especially the starch. I was never given a Cent for my work at home nor in home.
